## **Covid 19 Safety Measures**

When attending meetings in the Council Chamber you are asked to observe the following measures to ensure the safety of your Council colleagues and members of staff:

Prior to meetings if you are experiencing symptoms of COVID-19 please do not attend. Book a test and self-isolate.

Whilst not compulsory, you are encouraged to satisfy one of the three following conditions before attending meetings:-

- been fully vaccinated for more than two weeks;
- or have had a negative PCR test or rapid lateral flow test taken within 48 hours of meetings (a lateral flow test taken at home will need to be reported into the public reporting system);
- or evidence of a positive PCR test result for COVID-19 within the previous 180 days and following completion of the self-isolation period.

Please be reminded of the following measures which remain in place: Face coverings must be worn indoors unless seated at a desk. They must be worn when leaving the Council Chamber for any reason.

Good hand hygiene should be adhered to and hand sanitiser is available in the ground floor foyer and the Council Chamber.

Social distancing remains strongly advised. Desks will be distanced at 1m apart and you should keep face-to-face contact to a minimum. Lisburn & Castlereagh City Council fully supports the NI Executive in its call for people to make safer choices.
